

IFRR SMOKESTACK DECEMBER 2014

Merry Christmas & Happy New Year

IFRR has sent several wishes to **Santa** and he wrote back that all the members of IFRR should help fill these wishes.

WILL YOU HELP SANTA??

HERE ARE OUR WISHES FOR IFRR:

1. IFRR desires the membership to get more involved in our fellowship. Will it be you?
2. Members are needed to fill the officers positions. The same officers have been guiding this fellowship for a number of years. Who will help by filling the President, Vice President, Secretary and Treasurer positions for Rotary year 2015-16? Will it be you?
3. IFRR would like to have more membership opportunities for members to share information about railroading from railfanning to equipment swapping or anything else you would like to do.
4. Expansion of MY ROTARY SOCIAL GROUP - IFRR has a group and we need YOU to participate You can easily sign up for My Rotary at www.rotary.org
5. Convention participation. Only minimal response received about this year's RI Convention in Sao Paulo, Brazil. Not enough availability from members to support a booth, share a booth, have visitations or other activities. Our annual meeting and election will be by email.

Your International Fellowship of Railroading Rotarians (IFRR) is made up of Rotarians who have an interest in railroading in any format, type, size or related interests. This may consist of steam, diesel, electric, model railroads, rail fan photography, rail travel, railroad collectibles, private rail cars, trolley cars and what ever related interest there is from the membership.

Your Board's wishes are to strengthen IFRR. To have it utilized by the membership. To reach our goals and wishes. Let's share ideas and get involved!

This is YOUR fellowship!

Best regards in Railroading and Rotary,

Don

The Four-Way Test

For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future.

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
