

IFRR SMOKESTACK - FEBRUARY 12, 2015

Hi IFRR Members,

- **IFRR Membership Survey** - IFRR member Rotarian Dirk Hoekendijk has prepared a Membership Survey for our IFRR. Thanks Dirk! The survey was emailed to you today. Please read fill in all the blanks as requested. This will help us expand and improve your IFRR fellowship.
- **IFRR ROTARY GROUP** - Our IFRR Rotary Group is now becoming increasingly more active. It is time for YOU to join! Go to your My Rotary page. Then go to: <https://www.rotary.org/myrotary/en/exchange-ideas/groups> Search down to International Fellowship of Railroading Rotarians group. Then sign in to join. If you have problems go the the section titled "How to Join A Group".

The group is a great place to exchange ideas and railroading information, announce local events, swap ideas with other IFRR members and have a great experience.

- **COMING SOON TO IFRR -**
- **Annual meeting and call for elections.** Our annual meeting will be held via email this year as we do not have enough members attending the RI Convention to have a physical meeting. Please let Don know if you would be interested in volunteering to be on the IFRR Board.
- **Events Calendar** - Do you have a railroading event happening in your area? Would you like to let other IFRR members know about it? Perhaps regional IFRR outings could be put together to attend the events. The events will be posted on the IFRR website. Send your information to Don.
- **Note:** IFRR is YOUR fellowship. Please join in and use our fellowship so we will grow, expand and serve you the best ways possible.

HAPPY VALENTINES DAY - Saturday, Feb. 14th! Ride a red train!

If you have any questions or comments, please contact me.

Best regards in Rotary Railroading,

Don

The Four-Way Test
For Rotary, The Four-Way Test is the cornerstone
of all action. It has been for years, and it will be in the future.

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
