

IFRR SMOKESTACK – JANUARY 2017

Will **YOU** help at the IFRR Booth 2934 during the RI 2017 Convention?

If not, we will have to cancel the booth!!!

Here are the details:

ROTARY INTERNATIONAL CONVENTION 2017 IN ATLANTA, GEORGIA, USA JUNE 10 to 14, 2017 !

We need to operate the booth for the 4 days when the House of Friendship is open.

We need to have 6-8 people who will fill in the shifts. We have one or two who have expressed interest but not sure of their schedules. The shifts are normally two hours long.

It's easy and fun! You meet people from all over the world and talk about Railroading

We are also working on having some railroading events and visits during the convention if there is enough interest from our membership.

Annette and I are willing to coordinate the booth and will spend as much time there as possible but we can not do it for the full four days.

**WE NEED YOUR RESPONSE IMMEDIATELY AND NO LATER THAN
Wednesday January 18, 2017**

WILL YOU BE THERE?

Thanks and best regards in Railroading!

Don
